

**MEMORANDUM OF UNDERSTANDING
BETWEEN
RAJAMANGALA UNIVERSITY OF TECHNOLOGY TAWAN-OK
THE KINGDOM OF THAILAND
AND
GUANGZHOU ACADEMY OF FINE ARTS
THE PEOPLE'S REPUBLIC OF CHINA**

This Memorandum of Understanding (MOU) has been signed at Rajamangala University of Technology Tawan ok (RMUTTO) where is located at 43 Moo 6, Brangpra, Siracha, Chonburi Province, The Kingdom of Thailand, on the date of November 2021, between Rajamangala University of Technology Tawan ok, by the President, Associate Professor Rerkchai Fopprateepsiri, Ph.D. and Guangzhou Academy of Fine Arts, the People's Republic of China, by the President ...Professor Jinkun Li..... These two institution (parties) wish to have academic cooperation in the areas of their mutual interests.

Objectives:

1. To enhance the academic capability and the internationalization approach.
2. To perform the cooperation with the areas of academic, research, and development.
3. To enhance the credibility and the confidence of the two institutions in public and among private sectors through the international cooperation.
4. To strengthen the potential of the lecturers and researchers to meet international standards.

The two parties hereby have been accepted each other as follows:

1. Scope of the cooperated activities
 - 1.1 Joint academic research activities, projects and publications
 - 1.2 Collaborative exchange of academic researchers and faculties or teaching staffs
 - 1.3 Student Exchange, non-degree, short-term and long-term degree programs
 - 1.4 Academic curriculums, supervision and collaborations for promoting the undergraduate and postgraduate programs (Master and Doctorate) between Chakrabongse Bhuvanarth International Institute for Interdisciplinary Studies, Rajamangala University of Technology Tawan-Ok (RMUTTO), Thailand and Guangzhou Academy of Fine Arts, China
 - 1.5 Collaborative organizing the international conference, workshops and seminars
 - 1.6 Collaborative establishing the Center for Innovation and Entrepreneurship
2. For the implementation of the MOUs, both parties will delegate each other's representatives to have an agreement in detail later in a form of documents.
3. The MOU may be updated to become more appropriate under the approval of both parties. A notification sent to the other party is not less than 30 (thirty) days in order to consider it together. Any amendments shall be made. Then, a document attached has to be signed by the authorized one, and it is counted as part of this MOU.
4. The term of this MOU is 5 years, starting from the date on it. Both parties may extend the time by another of official document, and the extension is part of the MOU.
5. Cancellation of the MOU may be done when one party inform the other by a document at least 90 days before the time of the cancellation. It affects when two parties agree. After that, all MOU documents attached are also cancelled. Such abolition will not affect the cooperation that is running or pending at that document.
6. Any cooperation under this MOU has no legal obligation.

The MOU is formed in two original versions with an exactly similar context for each party. Then, both parties read and understand all information throughout it, finally the MOU is signed and stamped (if any) in the presence of witnesses.
